Friends Help Fund Programs at the Walworth-Seely Public Library

The Friends of the Walworth-Seely Public Library recently presented a check for \$1,000 to Library Director Mary Zingerella. The money came from proceeds of the Friend's most recent book and bake sale held in October. The check will be used for library programs during the coming year. It will help supplement necessary budget cuts in the 2010 town budget.

The Friends organization is active throughout the Walworth Community. This past summer, the group donated an eight foot banner that is a welcoming sign over the library's entrance doors. It has three logos printed on it: OWWL representing the Pioneer Library System, the Walworth-Seely Public Library, and the Friends. In 2009, Friends also helped provide refreshments for the library's end of summer reading program social, and for the Walworth Memories program. There were also two book and bake sales and the parade float and booth at Walworth's Festival in the Park. The Friends gave a free book to children who came by the booth. Computer tutoring resources are now available by the Friends; please ask at the library's front desk, or call 986-1511 for more information.

Our meetings in 2010 will be at 6:30 PM in the Meeting Room at the library, on the 3rd Wednesday of the month. Our next meeting will be January 20, 2010 when officers will be elected and committee members appointed. You do not need to be at the meetings to help the Friends organization. If you would like to become a member of the Friends of the Walworth-Seely Public Library, please send an e-mail to friendlb@verizon.net, or visit our website at www.friendsofwalworthseelylibrary.org
